- Strong organizational and time-management skills
- Communication and interpersonal skills
- Critical thinking and problem-solving
- Agile development methodologies

WORK HISTORY

Backend Laravel Developer, SurjX
09/2022 - Current
- Worked closely with clients to gather requirements and translate them into technical specifications for implementation.
- Continuously updated skills through training courses, workshops, and self-study—staying current on industry trends and emerging technologies.
- Participated in regular code reviews, ensuring high-quality standards were consistently met across all development efforts.
- Collaborated on stages of systems development lifecycle from requirement gathering to production releases.
- Utilized Git for version control to ensure efficient code collaboration and accurate change tracking.
- Debugged complex software issues, leading to a more stable product release.
- Built databases and table structures for web applications.

Web Developer, BuiltinSoft
07/2022 - 08/2023
- Collaborated with cross-disciplinary teams to prioritize features and characteristics, enhancing project alignment and efficiency.
- Conducted code reviews and provided feedback, leading to improved code quality and reduced bugs in production.
- Created robust APIs for mobile applications, ensuring seamless integration and enhancing user experience.
- Worked in an agile development environment, participating in sprints, stand-ups, and team collaboration, which improved project delivery timelines.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, AJAX, and JSON coding.

Junior Web Developer, House of Code
03/2021 - 03/2022
- Contributed to improving software development processes by implementing best practices using JIRA and Trello, resulting in more efficient project management.
- Streamlined website performance by optimizing images and implementing efficient code techniques.
- Built website interfaces with HTML and CSS.

EDUCATION

Bachelor's Degree: Software Engineering
Khawaja Fareed University of Engineering And Information Technology
